

# ASIAN AMERICAN STUDIES BA + ETHNIC STUDIES MA SF SCHOLARS ROADMAP

The San Francisco State Scholars program provides undergraduate students with an accelerated pathway to a graduate degree. Students in this program pursue a bachelor's and master's degree simultaneously. This program allows students to earn graduate credit while in their junior and/or senior year, reducing the number of semesters required for completion of a master's degree.

**This roadmap is a suggested plan of study and does not replace meeting with an advisor. Please note that students may need to adjust the actual sequence of courses based on course availability. Please consult an advisor in your major program for further guidance.**

<sup>3</sup> To determine the best B4 course option, students should complete the online advising activity at mathadvising.sfsu.edu (<https://mathadvising.sfsu.edu/>). Questions? Contact Gator Smart Start. (<https://gatorsmartstart.sfsu.edu/>)

<sup>4</sup> A course in statistics, such as MATH 124, ETHS 116, or ETHS 117, is highly recommended.

<sup>5</sup> **Complementary Studies**

Bachelor of Arts students must complete 12 units of Complementary Studies outside of the primary prefix for the major and not cross-listed with the primary prefix for the major.

Students who complete two majors or a major and a minor automatically complete the complementary studies requirement.

Students in the Asian American Studies major may also satisfy the Complementary Studies requirement by completing one of the following options:

- 12 units from an Asian Language Complementary Studies cluster.
- 3 units from each of these prefixes: AFRS, AIS, LTNS, and RRS (may not be from courses that are cross-listed with AA S).
- 12 units from one of these prefixes: AFRS, AIS, LTNS, or RRS (may not be from courses that are cross-listed with AA S).
- 12 units as partial completion of a minor.
- 12 units as partial completion of a certificate.
- 12 units from an Asia-related study abroad program.
- Upon advisement, a coherent group of courses complementary to the major.

With the approval of an advisor in the major, courses that fulfill the Complementary Studies requirement may be lower- or upper-division units, resident, or transfer units.

<sup>6</sup> Consider taking a class combined with a laboratory or a separate lab to fulfill B3 if not already satisfied.

<sup>7</sup> Take the GE Area not fulfilled by the course selected from Category A: History/Social Sciences.

<sup>8</sup> **Ethnic Courses (15 Units)**

Select five courses representing at least four different ethnic groups. Other AA S 300 level courses are acceptable upon advisement. A maximum of 3 units from AA S 685, AA S 688, or AA S 699 can count towards the Asian American Studies major's total unit requirement of 42 units.

<sup>10</sup> **Area Emphasis**

Students are required to focus on an area of emphasis in Africana Studies, American Indian Studies, Asian American Studies, Latina/Latino Studies, or Race and Resistance Studies. Courses selected to fulfill the emphasis will provide a student with the subject matter foundation to complete the culminating research project field study or thesis. Upon advisement, upper-division/graduate course work in the College of Ethnic Studies and other departments on campus may be used.

± Given catalog rights, fall 2023 transfer students do not need to complete an Area F course.
