² To avoid taking additional units, it is recommended that you meet the **SF State Studies** (AERM, GP, ES, SJ) requirements within your GE or major.

³ Consider taking a class combined with a laboratory or a separate lab to fulfill B3 if not already satisfied.

⁴ To determine the best B4 course option, students should complete the online advising activity at mathadvising.sfsu.edu (<https://mathadvising.sfsu.edu/>). Questions? Contact Gator Smart Start. (<https://gatorsmartstart.sfsu.edu/>)

⁵ **Complementary Studies**

Bachelor of Arts students must complete 12 units of Complementary Studies outside of the primary prefix for the major and not cross-listed with the primary prefix for the major.

Students who complete two majors or a major and a minor automatically complete the Complementary Studies requirement.

Students in the Race and Resistance Studies major may also satisfy the Complementary Studies requirement by completing one of the following options:

- 12 units from one or more of these prefixes: AFRS, AIS, AA S, or LTNS (may not be from courses that are cross-listed with RRS).
- 12 units of a heritage, native, or foreign language.
- 12 units as partial completion of a minor.
- 12 units as partial completion of a certificate.
- 12 units from a study abroad program.

Upon consultation with an advisor, student may designate a coherent group of courses complementary to the major. For example, students may complete 12 units in a related area such as health disparities; genders and sexualities; revolutionary thinkers; cultural production and representation; social justice; civic & community engagement; fantastic futures; or religiosities and spiritual movements.

With the approval of an advisor in the major, courses that fulfill the Complementary Studies requirement may be lower- or upper-division units, resident or transfer units.

⁶ **Major Electives - 9 units**

Three RRS Courses - 9 units
