BACHELOR OF ARTS IN CHILD AND ADOLESCENT DEVELOPMENT: CONCENTRATION IN EARLY CARE AND EDUCATION – ASSOCIATE DEGREE FOR TRANSFER (ADT) ROADMAP

This is a sample pathway for students who transfer to San Francisco State University in the current Bulletin year with an AS-T in Early Childhood Education. Nine units in the major (CAD 210, CAD 215, CAD 260) and all lower-division GE requirements have been satisfied. Check with a major advisor about the most appropriate course sequence. Degree completion guaranteed in 60 units; see the Associate Degree for Transfer (ADT) section for more information (http://bulletin.sfsu.edu/undergraduate-admissions/transfer-students/).

To Do at SF State:

Enough total units to reach 120 minimum for graduation; 30 units minimum at the upper-division level; to include the following:

University-Wide Requirements: 9-15 units

- American Institutions (0–6 units): US History, US Government, California State and Local Government requirements if not taken before transfer
- Upper-division GE, areas B, C, and D (9 units): Courses required for the major may double-count if approved for UD GE.
- Students entering this major with the AS-T in Early Childhood Education are not required to fulfill SF State Studies requirements.
- Complementary Studies is satisfied by taking the required minimum of 12 units in disciplines other than CAD.

CAD Major (Concentration in Early Care and Education): 36 units

CAD 210, CAD 215, and CAD 260 have been met in transfer.

- · Major Core (15 units): Includes GWAR.
- · Concentration (21 units).
- · Minimum grade of C or better required for all courses in the major.

University Electives: 9 or More units

Depends on course choices made at the community college, how transferred units are applied to the requirements above, and course choices at SF State. Some courses may meet more than one requirement, e.g. both in UD GE and the major.

1 Concentration Electives (12 units)

A full list of the concentration elective options can be found in the degree requirements (http://bulletin.sfsu.edu/colleges/health-social-sciences/child-adolescent-development/ba-child-adolescent-development-concentration-early-care-education/#degreerequirementstext).

It is highly recommended that students attempt to fulfill upper-division GE requirements (UD-B, UD-C, and UD-D) through Concentration courses. Courses that fulfill those requirements have been marked in the respective lists.
