

MINOR IN DESIGN

Minor in Design – 19-20 units

The Minor in Design consists of 19 units in the Visual Communication Design pathway and 20 units in the Product Design pathway. Students must meet with an advisor to declare their pathway and determine their course of study. All of the coursework for the minor must be taken at the upper-division level.

All coursework used to satisfy the requirements of the minor must be completed with a grade point average of 2.0 or better.
