

POLITICAL SCIENCE SF SCHOLARS ROADMAP

The San Francisco State Scholars program provides undergraduate students with an accelerated pathway to a graduate degree. Students in this program pursue a bachelor's and master's degree simultaneously. This program allows students to earn graduate credit while in their junior and/or senior year, reducing the number of semesters required for completion of a master's degree.

This roadmap is a suggested plan of study and does not replace meeting with an advisor. Please note that students may need to adjust the actual sequence of courses based on course availability. Please consult an advisor in your major program for further guidance.

¹ ENG 114 can only be taken if you complete Directed Self-Placement (DSP) and select ENG 114; if you choose ENG 104/ENG 105 through DSP you will satisfy A2 upon successful completion of ENG 105 in the second semester; multilingual students may be advised into alternative English courses.

² To avoid taking additional units, it is recommended that you meet the **SF State Studies** (AERM, GP, ES, SJ) requirements within your GE or major.

³ To determine the best B4 course option, students should complete the online advising activity at mathadvising.sfsu.edu (<https://mathadvising.sfsu.edu/>). Questions? Contact Gator Smart Start. (<https://gatorsmartstart.sfsu.edu/>)

⁴ Consider taking a class combined with a laboratory or a separate lab to fulfill B3 if not already satisfied.

⁵ **Complementary Studies**

12 units of Complementary Studies are required of all candidates for the B.A. degree in Political Science. These units must come from courses bearing a prefix other than PLSI that are not cross-listed with Political Science. Students can satisfy this requirement by completing a related minor, a secondary major, or through an approved Study Abroad program.

Complementary Studies courses should have a direct bearing on the study of politics or deepen and enrich the study of politics. Such courses are typically found in departments like International Relations, Urban Studies and Planning, or Philosophy, and in the College of Ethnic Studies.

Eight of the 12 Complementary Studies units may count toward the major as elective units if approved in advance by a Political Science advisor. Students must consult with an advisor in the department to ensure that their choices fulfill the department's requirements.

Courses from the following departments will be considered to be part of Complementary Studies for Political Science. Any minor automatically fulfills Complementary Studies and, depending on one's emphasis, foreign languages can also fulfill Complementary Studies if

they are associated with a focus on comparative politics and/or area studies.

- Africana Studies
- American Indian Studies
- Anthropology
- Asian American Studies
- Criminal Justice
- Environmental Studies
- Ethnic Studies
- History
- Humanities
- International Relations
- Latina/Latino Studies
- Philosophy
- Sexuality Studies
- Sociology
- Urban Studies and Planning
- Women and Gender Studies

Students who have earned AA-T or AS-T degrees and are pursuing a similar B.A. degree at SF State are required to fulfill the Complementary Studies requirement as defined by the major department. Students should consult with a major advisor about how transfer units and/or SF State units can best be applied to this requirement in order to ensure degree completion within 60 units.

⁶ **Breadth Requirement (9-12 units)**
