4 Major Electives (18 units)

The Bachelor of Arts in Theatre Arts requires 18 elective units with the TH A prefix. At least 9 units must be upper-division units.

Teaching Credential: The Single Subject Approved Program (English Subject Matter: Drama Emphasis) requires the completion of courses in English as well as Theatre Arts. For details on this program, please consult credential advisors in the English Teacher Resource and Advising Center.

5 Consider taking a class combined with a laboratory or a separate lab to fulfill B3 if not already satisfied.

6 Complementary Studies

Twelve units of Complementary Studies are required of all candidates for the Bachelor of Arts degree in Theatre Arts. These units must come from courses bearing a prefix other than TH A, and not cross-listed with TH A. Theatre Arts majors are offered several paths toward completing this requirement, each of which is designed to facilitate graduation in a timely manner:

- 12 units in a single foreign language;
- 12 units in an approved study abroad program;
- 12 units from a partially completed second major or minor;
- 12 units in a related discipline or coherent group of classes from related disciplines as approved by a School of Theatre & Dance Advisor.

Students who have earned AA-T or AS-T degrees and are pursuing a similar B.A. degree at SF State are required to fulfill the Complementary Studies requirement as defined by the major department. Students should consult with a major advisor about how transfer units and/or SF State units can best be applied to this requirement to ensure degree completion within 60 units.
