Fee Payment Deadlines

Payment for Tuition and Fees must be received by the published Fee Payment Deadline to avoid any administrative late fees.

To remain enrolled in Priority Registration classes for the Fall, Spring, and Summer semesters, students must pay by the published fee payment deadline. Students who do not pay their fees by the published deadline are subject to enrollment cancellation.

Please refer to the Bursar’s Office webpage at bursar.sfsu.edu (<http://bursar.sfsu.edu/>) for information regarding current fee payment deadlines.

Financial Aid Fee Payment Deadlines

If the Office of Student Financial Aid notifies you that you have been awarded and you have accepted an offer of Financial Aid, excluding college work-study, your tuition and fee payment will be postponed until census, the fourth week of the semester. You may register for classes without paying tuition fees up front. Do not apply for the University’s Installment Payment Agreement unless your aid has been canceled. See Financial Aid Important Dates for more information. Aid must be disbursed by the third week of the semester to avoid the non-refundable administrative fee of \$20.

If a student is found ineligible for financial aid after they have enrolled in classes or if the financial aid is not sufficient to pay tuition and fees in full, the student is responsible for paying the fees or unpaid balance before the third week of the semester. Please refer to the Bursar’s Office webpage at bursar.sfsu.edu (<http://bursar.sfsu.edu/>) for information regarding the current payment deadlines.

If you register for classes and decide not to attend SF State, you MUST drop all classes by the published refund deadline through the Student Center and/or in-person at the Registrar’s Office. (See Refund Guidelines (<https://bursar.sfsu.edu/students/refund-guidelines/>) under Financial Aid Information I).

Installment Plans

All students who are eligible to enroll may use one of the installment plans offered by the university, with the exceptions of students with financial aid deferments, approved waivers or subsidies, or students who defaulted twice on their installment plan agreement in a previous semester. Students with outstanding financial obligations must pay their obligations before or at the time of their enrolling in the current semester’s installment plan. For more information and a copy of the installment plan contract, go to the Bursar’s Office webpage at <https://bursar.sfsu.edu/students/fee-payment-methods#payment-plans> (<https://bursar.sfsu.edu/students/fee-payment-methods/#payment-plans>).
