

CAREER PLACEMENT: DATA ON FORMER STUDENTS

The San Francisco State University Career & Leadership Development office may furnish, upon request, information about the employment of students who graduate from programs or courses of study preparing students for a particular career field. Data provided must be in a form that does not allow for the identification of any individual student. This information includes data concerning the average starting salary and the percentage of previously enrolled students who obtained employment.

The information may include data collected from graduates of the university or graduates of all universities in the California State University system.
