

SF STATE STUDIES

SF State Studies Requirement

SF State Studies courses fulfill graduation requirements but do not have specific unit requirements. They are meant to ensure that students take a least one course in areas that the campus feels are important to graduates of our University. There are currently four graduation requirements that students must meet:

American Ethnic and Racial Minorities (AERM),
Environmental Sustainability (ES),
Global Perspectives (GP), and
Social Justice (SJ).

Courses certified as meeting the SF State Studies requirements may be upper- or lower-division, may be in General Education, a major or minor, or may be an elective.
